

VAILSBURG

HIGH SCHOOL

Changes, changes, changes . . . doesn't it seem that there is nothing permanent in life except change.

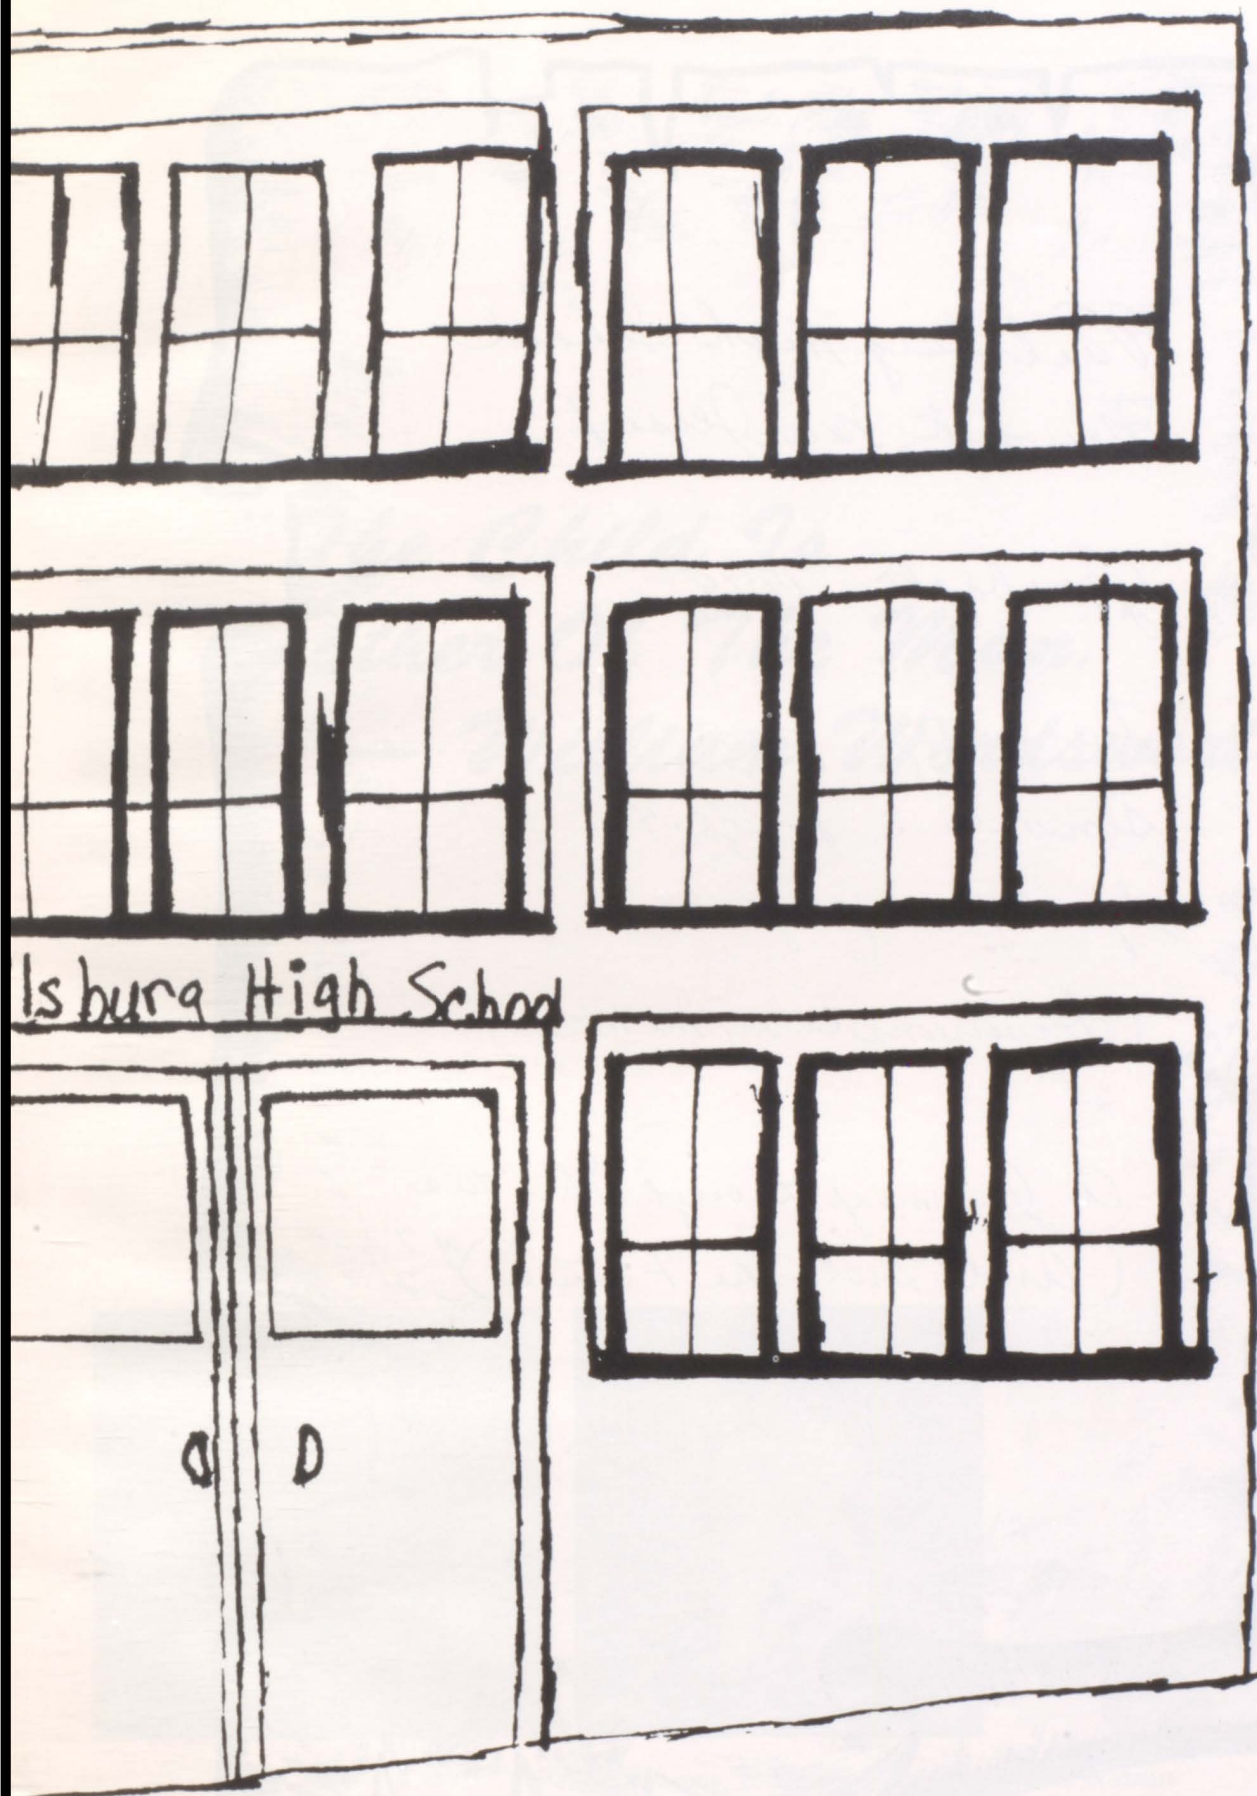

We, at Vailsburg High School, are also in the process of experiencing a change which could decide its future. The students now have a new Principal and a Vice-Principal. Although we are sorry to say good-bye to Mr. Petitti and Mr. Mirabella, we welcome Miss Theresa S. David and Mr. Fred Martin who, along with Dr. Elias Levinson, are the administrators of our school.

Miss David is a very capable individual, dedicated to the preservation and/or improvement of the school system. She has already made many noticeable changes regarding the students' discipline and behavior. There seems to be a certain pride and respect for Vailsburg, especially among the upperclassmen, that Miss David has instilled in such a short period of time.

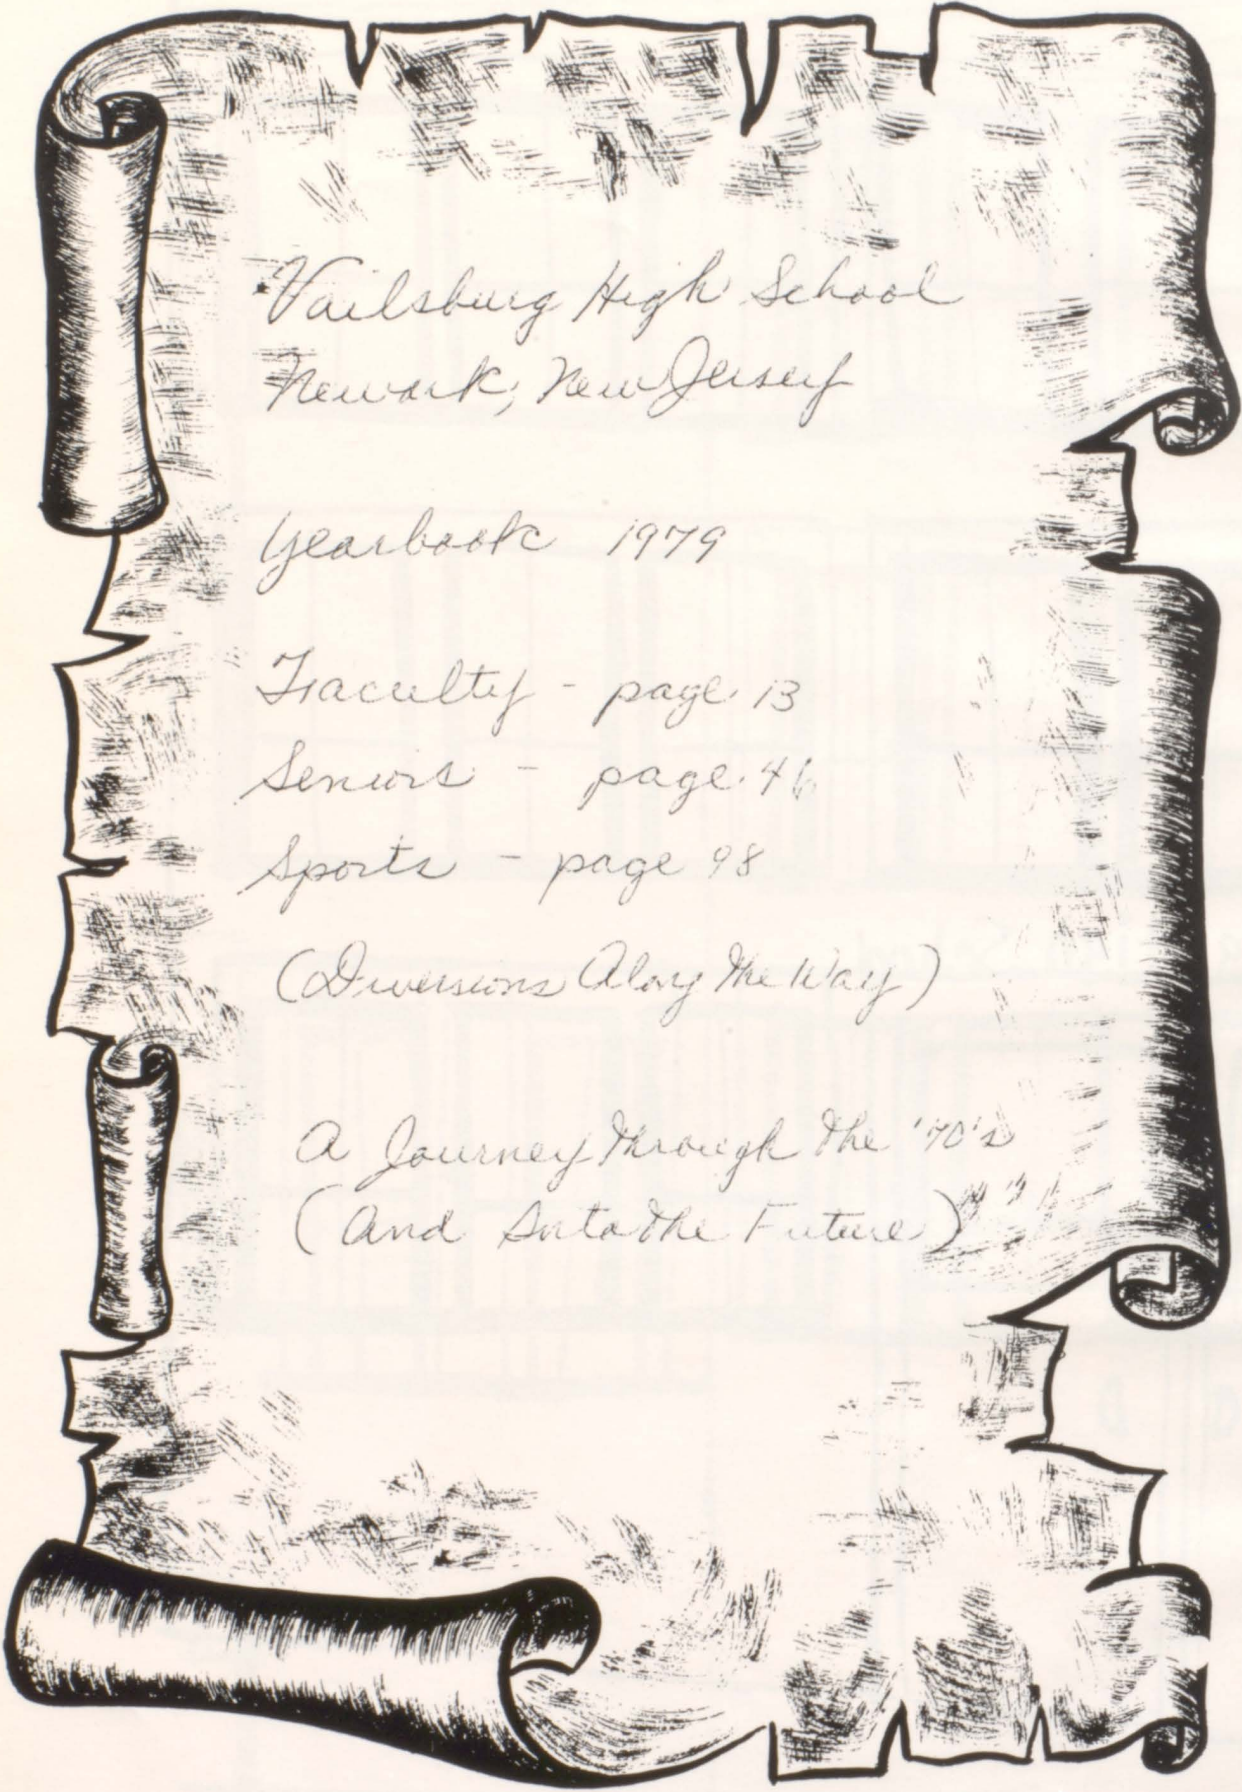

It is true that in the past couple of years the standards of the students and the faculty have been declining, but we feel we are now at the turning point. The critical stages are behind us, and we can concentrate on rebuilding with a newfound hope that change and the sincere efforts of people have simultaneously brought forth.

Our joint efforts can help recreate a school atmosphere at Vailsburg which will stimulate learning and the overall development of its constituents. We hope that the rekindled Candle of Hope will pave the rough path ahead and be our guide in the future.

Dr. Philip Weil

"Peace, peace! he is not dead, he doth not sleep—
 He hath awakened from the dream of life.
 He has outsoared the shadow of our night;
 Envy and calumny and hate and pain
 And that unrest which men miscall delight
 Can touch him not and torture not again;
 From the contagion of the world's slow stain
 He is secure, and now can never mourn
 A heart grown cold, a head grown gray in vain.
 He lives, he wakes—'tis Death is dead, not he."

Let this class' reputation be for integrity,
We leave all the bad feelings and thoughts behind.
Some of us have grown up in four years,
Not having to shed one little tear.
Some struggled; some did not.
Some had to; some forgot.
But for whatever the reason, this is the season
For the seniors to salute ourselves.
We are the future, present, and past.
We are the class of '79 graduating at last.

Pele sets the Cosmos

By PHIL MUSHNICK

When the Cosmos arrived at the found adhesive tape covering their story, at least until last night, when Bay Rowdies, 3-0.

The Cosmos now meet the Ft. Lauderdale Strikers, first-place East NASL finishers, in a home-and-home two-game series to decide the East champion.

The first game is Sunday (7:30 p.m.) at Giants Stadium. The second game is next Wednesday night in Ft. Lauderdale. If those games are split, there will be a 20-minute sudden-death overtime following the second game. And if it doesn't settle it, there will be a shoot-out.

After a 1-0 win last night, the Cosmos' chances for a playoff berth are good.

HALFTIME

"I don't think they should have given up on us," said a Cosmos fan.

YANKS OPEN WORLD SERIES TOMORROW IN CINCINNATI

Berkowitz Enters an Innocent

"Living In the Seventies"

Political scandals, inflation, gay rights, and the
rise of women's liberation; all a part of the
seventies.

Punk rock and the disco beat-
Sid Vicious or move your feet
So I bow my head to the Constitution,
I close my eyes to the gas distribution,
and I turn my back to the sex revolution.

But I guess it's alright,
We're all keeping our sanity
Even though the seventies
Are overpowered by vanity.

Where can love be found
In this year of '78?
Have things gotten so out of hand
That we only seem to find hate?

Everyday we read about
Another crime committed
Muggings, scandals, even murders.
How were they ever permitted?

Is our world being destroyed
By our selfishness and greed?
Can't we find the beauty nature planted
And bring back the love we need?

"Changing Times"

The times of the seventies are changing,
There is just so much rearranging,
The prices are rocketing so high,
And the government offers no reply,
Crime is increasing,
With just too much leasing,
Pain just grows and grows,
And without help it shows,
There is manslaughter,
And no law and order,
Criminals escape,
In spite of the past rapes,
Even music is reacting,
But with no packing,
It is true, times are changing too
Rapidly
And will continue to worsen, undoubtedly.

REMEMBER THE BEST

The sixties have been-
The eighties will be-
The seventies have been and are!

Sunsets come
 and sunsets go,
Each new year
 is an opening show.

Look back
 and forward.
Just look around
 gaze at happiness found.

Put-downs and put-ons,
Rip-offs and put-offs,
Stick-ups and let-downs,
 They'll always manifest,
But the good old seventies
 tried their best
To produce good memories
 like all the rest.

SUGAR COATING

Somehow the past always seems sweet
Compared to the problems we meet.
It's that notorious sugar-coating.

Think of the sixties-
 they seem so nice.
The seventies never seemed
 to suffice.
Wait for the sugar-coating.

When the eighties are
And the seventies were spent,
 Their memories will also have
 an unforgettable sweet scent.
It'll be the sugar-coating.

Impossible to appreciate the things we have.
Wait until they're the things we've had
They'll all have that wonderful
 sugar-coating.

We thank Barbara Swierat, Bernadette Swierat, Deba Caruso,
Joan Seiden, Stephanie Schpatschynski, Tracey Peruio, and other

PRESIDENT CARTER, AFTER LESS THAN TWO YEARS IN OFFICE, HAS BECOME ONE OF THE MOST UNPOPULAR PRESIDENTS IN HISTORY. **BUT** THERE ARE A FEW THINGS HE **COULD** DO TO REVERSE HIS LACK OF POPULARITY AND EFFECTIVENESS. SO HERE ARE SOME SUGGESTIONS TO...

SAVE PRESIDENT CARTER

3. APPEASE CONSERVATIVES

CARTER SHOULD NOT ONLY CONTINUE DEVELOPMENT OF THE NEUTRON BOMB, HE SHOULD GARRY ONE WITH HIM AT ALL TIMES.

ALL THINGS GO TO THE ZOO!!

1. BE TRENDY.

THE PRESIDENT MIGHT DO WELL TO HAVE HIMSELF SURGICALLY ALTERED TO RESEMBLE THE LATE ELVIS PRESLEY.

4. Get Tough With Congress

WARN KEY CONGRESSMEN THAT IF THEY DON'T VOTE FOR ADMINISTRATION POLICIES, THEY WILL EACH BE FORCED TO TAKE LIL' AMY FOR A DAY.

ALL WOMEN DOG!

2. BE INDEPENDENT.

ON GREETING A CABINET OFFICER RETURNING FROM AN OVERSEAS MISSION, CARTER MIGHT, FOR INSTANCE, SQUASH A BIG MAG IN HIS FACE AND PUBLICLY INSULT HIS FAMILY.

5. BE FUNNY.

IF CARTER HAD A SENSE OF HUMOR, OR EVEN IF HE HAD A PERSONALITY, HE COULD TAKE SOME OF THE FOCUS OFF THE FACT THAT HE HASN'T GOT THE SLIGHTEST IDEA OF WHAT HE'S DOING. (AND SAVE CARTOONISTS FROM HAVING TO COME UP WITH SUCH RIDICULOUS IDEAS.)

Are you talking to me?

See Spot run. Run Spot Run.

Charlie's Angels

Ha - Ha! You can't do it!

Did I brush my teeth this morning?

How do YOU imitate a student?

You almost stepped on my contact!

So what if it's wrong.

Uhnt - uh!!

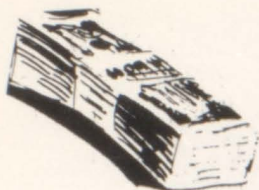

Hey, that's not what's supposed to be in there.

I am so intelligent.

Ah, finally got it.
